

FALL 2020 ONTARIO UNIVERSITY VIRTUAL OPEN HOUSE/TOUR SCHEDULE

Many open houses/campus tours have been postponed. Keep checking university websites for updates for new initiatives or postponements. There are many virtual opportunities for students to explore the campuses: virtual campus tours, information sessions, and opportunities to talk to current students and faculty members. Also, if you miss a session, most schools have recordings you can watch. Although you may not be able to tour the campus in person, there are still many reasons [why you should attend a virtual Open House](#).
